

Princefield First School
PE Sports Funding Oct 2015- Oct 2016

Funding Received: 2015 – 2016

Princefield received a total of £8760. The majority of this budget has been spent on activities/resources that will have a long term impact on the quality of PE provision and on securing healthy outcomes for our children in the future.

What	When	Who	Impact/Outcome
Sports Coaching Provided by Progressive Sport <i>To improve the provision of PE within PFS through blocked sessions to develop PE skills</i>	Across the year	KS1 / KS2	Lessons have been more focused on skills which teachers can take forward into their own teaching. Majority of teachers are now mirroring aspects of teaching and learning which have been delivered by the sports coaches.
Sports Equipment <i>To resource and enhance the equipment for the continuing deliverance of PE provision.</i>	Across the year	All children Lunchtime Supervisors	Resources are now adequate to ensure all children have access and play activities are enhanced through greater provision.
Transport <i>To provide opportunities for a select group of children to attend a different sporting event. (Golf)</i>	Summer Term 2016	Year 2 pupils	Children have been exposed to a different sporting event and supported in developing skills linked to this event which they may choose to continue with through the links to the club.

<p>Leadership and Organisation <i>To enable the sports Premium leader to lead, organise and plan for SP actions</i></p>	<p>3 x day release Across the year</p>	<p>Martin Hargreaves</p>	<p>PE coordinator is up to date and well trained so that he can support other teachers in implementing PE schemes. Monitoring is identifying areas for action and ensures school improvement is driven forward. Networking with other clubs in the community ensures good links with the school in order to encourage greater participation outside school.</p>
<p>Specific Pupil Sports Leadership Scheme <i>Provided by Inspired Coaching. To provide training for the year 4 pupil in organizing and leading sporting activities during lunchtimes.</i></p>	<p>Across the year</p>	<p>Year 4 pupils</p>	<p>The use of 'Huff and Puff' playtime equipment allows pupils to be more active and co-operative during lunchtimes. Pupils undertook block training which they were then responsible for disseminating across to other year 4 and eventually year 3 pupils. – this unfortunately didn't develop this way so alternative provision in 2016 – 2017 to develop this area of SP will be planned for.</p>
