Dear Parents,

You will notice we are trialling a new system for our Spring Term class assemblies, making the times and days of these more flexible. This not only supports the classes in organising the work towards these assemblies, around their normal timetable, but it is hoped this can support parents in attending. This year the focus will be on how, as a school, we are developing 'Visible Learning' strategies to support the children in becoming independent learners.

Can I remind parents that the gates are closed and locked just after 9am in the mornings so please ensure you vacate the school areas prior to this time to enable this to happen. Should you arrive at school after this time please use the main school entrance.

Kind Regards
Helen Barron
